

SA Multiple Birth Association Inc Library List

Up-dated May 2008

Conditions of Borrowing: Most books are available free of charge, although a donation of postage on books would be appreciated if books are sent by post. This can make such a difference to the cost of running a library. The time limit for each book is one calendar month with the option to extend if no other person is waiting to borrow that particular book. Please telephone the office of the Association if you wish to extend. It is important that books be returned promptly by the due date to enable our library to function properly and efficiently, as with some books there is only one copy. Videos will be loaned only to members.

Please take care of books borrowed, and whilst reasonable wear and tear is anticipated, compensation for unreasonable damage will be the responsibility of the borrower. This also includes books lost, in which case a fair replacement compensation will be expected.

Books now available are as follows:

1. Twice as Nice
